"Troy and Chris did a great job installing our lights. Recommend them Scooters. They also installed all our landscaping. Fast service, fair price, great communication skills. Look forward to having them for a few other projects."

"I can't recommend Scooters Lawn Care enough! From start to finish, the entire experience was outstanding. Bree was absolutely amazing to work with — she truly listened to my ideas and brought my vision to life even better than I imagined. Her creativity, communication, and attention to detail made the whole process smooth and exciting."

Troy and Angel are absolute masters at what they do! Their craftsmanship, professionalism, and hard work completely transformed the space. You can tell they take real pride in what they do, and it shows in every detail.

If you're looking for a team that genuinely cares and delivers beautiful results, Scooters Lawn Care is the one to call. I'm beyond thrilled with how everything turned out!"

"Bree, Steven and Kaylen were excellent to work with. Bree gave me a beautiful, colorful landscape, just like I requested. All three were very pleasant to work with. Despite how busy the guys were, they always answered any questions I had as well as offering suggestions as we encountered some issues. Bree returned several times to address some concerns we had. Everything from your employees was done with a smile. As a company, you are fortunate to have such wonderful people representing your company. Thank you for the complete transformation of my yard, ugly to beautiful 🥰❤️."

"Angel & Troy did an amazing job at our house! We did front bed cleanup, curbing installed, rock fill in and a "french drain" put in between our 2 gutters run off and the neighbors that ran into a low spot of our yard! Angel was such a hard worker and they both made our project just what we wanted!! Thanks again to office staff for being so kind, all the professionalism and help! Job well done SCOOTERS!!"
